Every Dollar Goes to Ministry Impact. None Goes to Brick and Mortar.

Teleo University has no campus, no buildings, and no facility costs. Our faculty, staff, and volunteers serve worldwide using their own offices and equipment, and our executive leaders raise their own ministry support through churches and individuals. That means your gift goes directly to theological education for pastors and church leaders in Africa and Asia.

Through our partnership with T-Net International, every T-Net Training Center member who pursues a degree with Teleo receives a 100% scholarship. They receive rigorous, on-the-job theological training without leaving their congregations, their communities, or the ministries God has called them to. Thank you for your generous support for our team and our mission.
