

October 25, 2022

Dr. Jay Klopfenstein  
President  
Teleo University  
7849 West Broadway Ave N, Minneapolis MN 55445  
USA

Dear Dr. Jay Klopfenstein,

Thank you for your application for accreditation. After reviewing your Institutional Fact Sheet we have decided to grant Teleo University **candidacy status**. You are now allowed to proceed with the comprehensive self-study process.

We have noted your request for the accreditation visit in October 2022. We will form a Visiting Evaluation Team (VET) composed of three members. The VET leader will discuss the details of the visit schedule with your institution.

Please refer to the 2021 ATA Manual for a detailed description of the accreditation process, the preparation of the Stakeholder and Institutional Impact Assessment and the Self Study Report. The completed Report should be submitted at least ninety days before the evaluation visit.

May the accreditation self-evaluation process bring opportunities for reflection and renewal to your whole institution, and so to improve the effectiveness of your institution's programs.

Blessings,

A handwritten signature in black ink, appearing to read 'Theresa Lua', written in a cursive style.
